

# COMPANY PROFILE

- LOUVRE  
SUNCREENS
- VENTILATION  
LOUVRE SYSTEMS
- OPENING ROOFS
- SOLAR DESIGNS
- CUSTOM BUILT  
SOLUTIONS

Insol Ltd is a South Island Based manufacturing company and part of a family business that has been actively involved in the construction industry since 1959. We are closely associated with 5 partner companies across Australasia and have the ability and expertise to undertake large and complex projects anywhere in the South Pacific. Within New Zealand we have a nationwide network of fabricators and installation agents carefully selected to work with their local market.

## LOUVRE SUNCREENS

- Fixed
- Adjustable
- Cantilevered
- Hinged
- Bifold
- Sliding
- Fences & Gates
- Aluminium & Cedar

We have a huge range of louvre sections available of all shapes and sizes, and work closely with the specifier and client to determine the best product for their requirements. Our louvres enhance the Architectural Character of any building while being reliable, robust and adding value.

## VENTILATION LOUVRE SYSTEMS

- LOUVRE SUNCREENS
- VENTILATION LOUVRE SYSTEMS
- OPENING ROOFS
- SOLAR DESIGNS
- CUSTOM BUILT SOLUTIONS

- Doors
- Grills
- Carpark screens
- Plant louvres

A rapidly expanding area of our product and service, our range of Ventilation Louvre Systems provide the ideal solution for mechanical plant intake and screening requirements.

## OPENING ROOFS

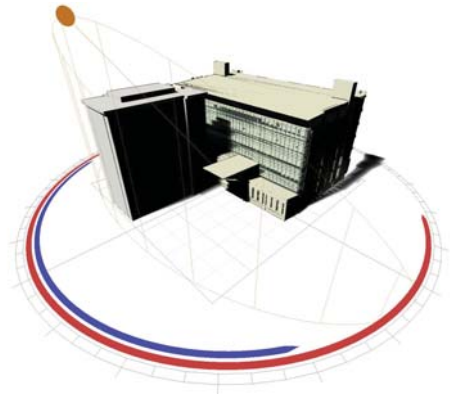

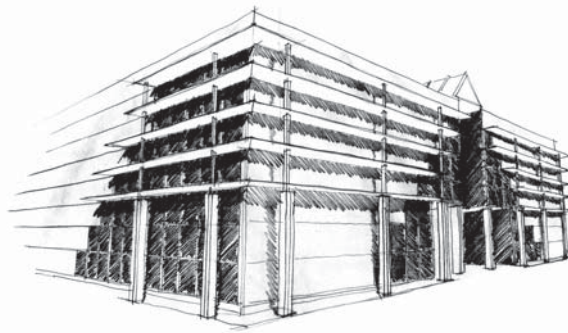

- Patios
- BBQ areas
- Restaurants
- Cafes

A recent addition to the Insol product range, the opening roofs we offer are the ultimate compliment to any outdoor area. Available with rain sensors and remotes our roofs can be infinitely adjusted to suit your climate.

# SOLAR DESIGN

- LOUVRE SUNCREENS
- VENTILATION LOUVRE SYSTEMS
- OPENING ROOFS
- SOLAR DESIGNS
- CUSTOM BUILT SOLUTIONS

8am

12pm

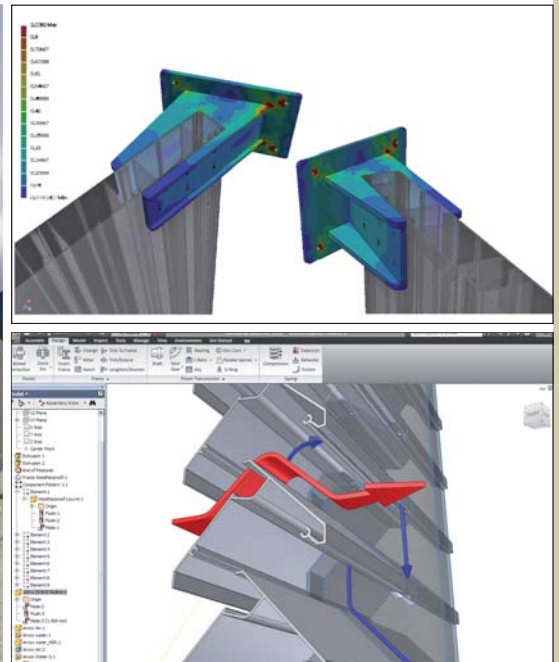

4pm

- Architectural concept
- Shadow analysis
- Insolation analysis
- Energy loadings

We have the expertise and technology to take projects from architectural concept to completion with the emphasis on thermal efficiency and occupancy comfort. Ideal for existing buildings where there is a requirement to facelift the building and increase occupancy comfort to attract new tenants or retain valuable staff.

# CUSTOM BUILT SOLUTIONS

If you can't find what you want it's likely that we can build it! The team at Insol provides a vast experience pool to draw from. We have the ability to custom design, engineer and build to your specific requirements.
